A Note from the Executive Director

Dear Friends:

God has blessed us mightily this year! Across the bottom of this report you will see the photos of some of the children that have been helped this year through Alpha Omega Center. Each of them, and many others, has been blessed by the gifts of you and others like you. Thank you!

In 2017 we started our Fathers In Action program. This is a one-on-one mentoring program for young men who are parenting or expecting a child. This program helps them learn about responsible parenting from a Biblical perspective.

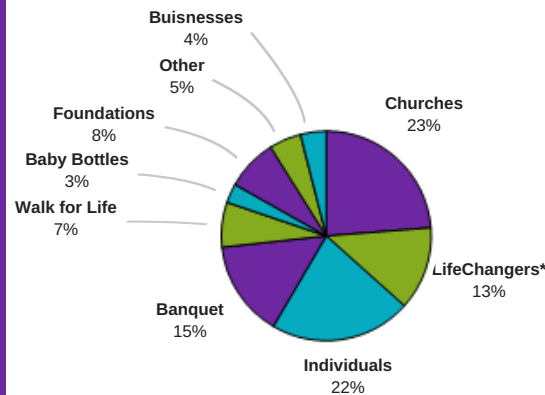

On the back of this report you'll see that our programs have grown, and to the right you'll see that we have been blessed financially as well. Additionally, our leadership has continued to grow, and long-serving Board Members have been able to take a sabbatical year. Thank you for your support and your prayers!

Changing Lives Together,

Sarah Bowen

SOURCES OF REVENUE

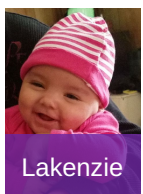

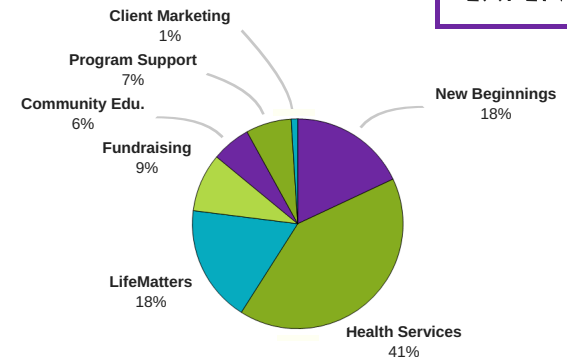

*LifeChangers are individual monthly partners.

In order to accurately portray expenses, overhead costs have been assigned to the appropriate program area in this pie chart.

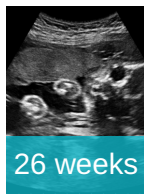

Also, hosting our annual fundraising banquet accounted for 41% of our fundraising expenses. This was completely covered by gifts designated for that purpose.

Alpha Omega Center does not accept any state or federal funding. In addition to the sources of revenue listed to the left we were blessed with over 1,700 volunteer hours, \$8,000 of donated items for our Parent's Shop, and \$11,000 of donated professional services.
