A NOTE FROM THE EXECUTIVE DIRECTOR

Thank you for your support in 2018!

God did incredible things in 2018, and I feel privileged to be a part of this vibrant and growing organization. Thank you for joining our team and working alongside us as we serve our community.

Throughout 2018 we saw record increases in clients served and many incredible choices for life. We also began offering a new service, STD testing and treatment, and began the process of opening our third office.

I am so thankful that you answered God's call to join us in this work. You're a blessing to many families, and you're truly saving lives!

Changing Lives Together,

Executive Director

Additional Gifts

In addition to monetary gifts, our community supported us with:

- Donated items for our Parent's Shop valued at \$8,966
- Donated professional services valued at \$7,894
- 877 volunteer hours valued at \$10,524
- Donated office supplies valued at \$3,528
- Countless prayers and tremendous encouragement!

NOTE: In order to accurately portray expenses, overhead costs have been assigned to the appropriate program area in the "expenses" pie chart. Additionally, hosting our annual fundraising banquet accounted for 51% of our fundraising expenses. This was completely covered by gifts designated for that purpose.

YOUR GIVING SAVES AND CHANGES LIVES

As we serve our clients and their families we strive to share the Gospel and the love of Christ at every opportunity.

HEALTH SERVICES

- 172 individual clients
- 298 appointments
- 105 ultrasounds
- 63 STD tests

Every mother has the right to receive love and support during an unplanned pregnancy. You, through your support of Alpha Omega Center, provide that support every day. Each of our clients receives one-on-one, personal attention tailored to fit their needs.

In August 2018 we began to offer STD testing and treatment. We offer to pray with and pray for each of our clients, and we also offer them their very own copy of the Bible. Many of them take us up on it, and some have even begun attending church.

This year, 62 mothers who were at risk for abortion chose life for their unborn babies. One of these mothers was carrying twins, so 63 precious lives were saved. Thank you!

63 babies saved!

NEW BEGINNINGS

- 118 families enrolled in our Earn While You Learn program
- 692 individual Earn While You Learn visits
- 10 fathers enrolled in our Fathers In Action program
- These dads met with a mentor for a total of 44 fatherhood appointments

At Alpha Omega Center we believe that if we're going to encourage families to carry their children to term we need to be there for them in a practical way. Through our New Beginnings program families attend weekly parenting classes and earn items for their children while learning about the love of Christ.

"I can't thank you enough for everything! I don't know where I would be without your help. Thank you so much for supporting me and treating everyone like family!" —First Time Mom

LIFEMATTERS

"I learned the importance of a firm relationship and what it builds from. The presentation put into perspective that the things you do earlier in life have consequences in the future."

—Local Junior High Student

2017/2018 school year

- 2,819 students
- 152 classes
- 31 schools

Healthy marriages are the foundation of a strong community. Our LifeMatters team teaches local public school students about healthy relationships and saving sex for marriage. Each young person learns that they are worth waiting for.

DID YOU KNOW?

At Alpha Omega Center we know that the women and men we serve face many challenges. In order to ensure we're reaching the most vulnerable we screen each client for:

- sex trafficking
- labor trafficking
- domestic violence
- suicidal thoughts

If any client is at risk in any of these areas we contact the local authorities, make appropriate referrals, and offer immediate help as we're able.
